Review SCLBC Resolution 2016-22 Adopting FY2017 Budget

- Amy Keyes gave a few quick summary notes:
 - Chief goal of the Landbank (established in 2013) was to establish an independently recurring stream of revenue for the Landbank, so that if/when grant funding ran out the Landbank would continue its operation - strictly brownfields at that time.
 - In 2014, Landbank took on abandoned residential properties.
 - Landbank will be closing on 1st of 3 rehabilitated zombie properties by the end of 2016, which proceeds will be reinvested in the Zombie program.
 - Round One and Two OAG grant funds will sunset on June 30, 2017.
 - Working capital funds are independent of the grant and unrestricted funds and will continue to be reinvested in the brownfields.
- Brian Petersen, Landbank staff accountant gave a brief summary of the budget for 2017.
 - Increase in proceeds of sale from zombie properties.
 - Increase in Phase II's and Phase III's.
 - First time that we will be utilizing non-grant money to fund a significant portion of

rehabilitation costs.

- We have a balanced budget and are still showing a profit for 2016 and 2017.
- 4 residential properties to be sold in 2017, and to acquire and rehab 5 houses.
- 3 properties identified and will be donated in 2017.

➤ *Motion to recommend the FY2017 Budget to the SCLBC Board for approval.*

Motion made by Jason Smagin; seconded by P.O. DuWayne Gregory. Motion approved 3-0-0.
