PRESENTATION BY CDCLI

Pat Johnson, VP, Resident Services and Asset Management, was present to answer any questions Landbank members may have with regard to Resolution 2017-18 and 2017-19, both of which are on today’s agenda. Ms. Johnson gave a brief Power Point Overview of CDCLl’s Rent to Own Program and how it might be a viable option to the SC Landbank, should a traditional buyer not be found. The rent-to-own option would allow a potential buyer to occupy the home with the goal of purchasing the property within the next three years while improving their credit rating, building savings, and become eligible for mortgage financing.
